GONE BUT (HOPEFULLY) NOT FORGOTTEN

The 20 pictures represent the names of pubs in the West Berkshire CAMRA branch area which have closed in the last 25-30 years.

Award yourself one point for each pub name you can identify from the clue and one for the town or village in which it was located. In at least one case there is more than one closed pub of that name, but naming all the locations will be considered showing off. Pub which have changed their name but are still open do not qualify. Beware – not all the clues are as obvious as they seem!

Every effort has been made to ensure that the answers are accurate.
